D-MAX

Founded in 1916, Isuzu Motors is Japan's longest-lived vehicle manufacturer and world leader in the production of commercial vehicles and industrial engines.

The first Isuzu pickup dates back to the begin of 1960. After 11 generations, to date over 7.5 million people in all countries of the world depend on the robustness, reliability and efficiency of Isuzu pick-up.

ISUZU reserves the right to change specification and equipment without notice. Details of specifications and equipment mentioned or showed in this brochure are also subject to change to meet government requirements and product development. Prices excluding VAT.

Accessories and equipment shown in this brochure have been used for illustrative purpose only. Photos may include accessories.

Please inquire at your local ISUZU distributor or dealer for more complete details on available models and their specification.

Note: The color in the photos included into this brochure, could be different from the original vehicle color.
